

**Worm** is relaxing in his cozy little home. Hi, **Worm!** He's reading a card from his friend Caterpillar. Caterpillar is at the beach.

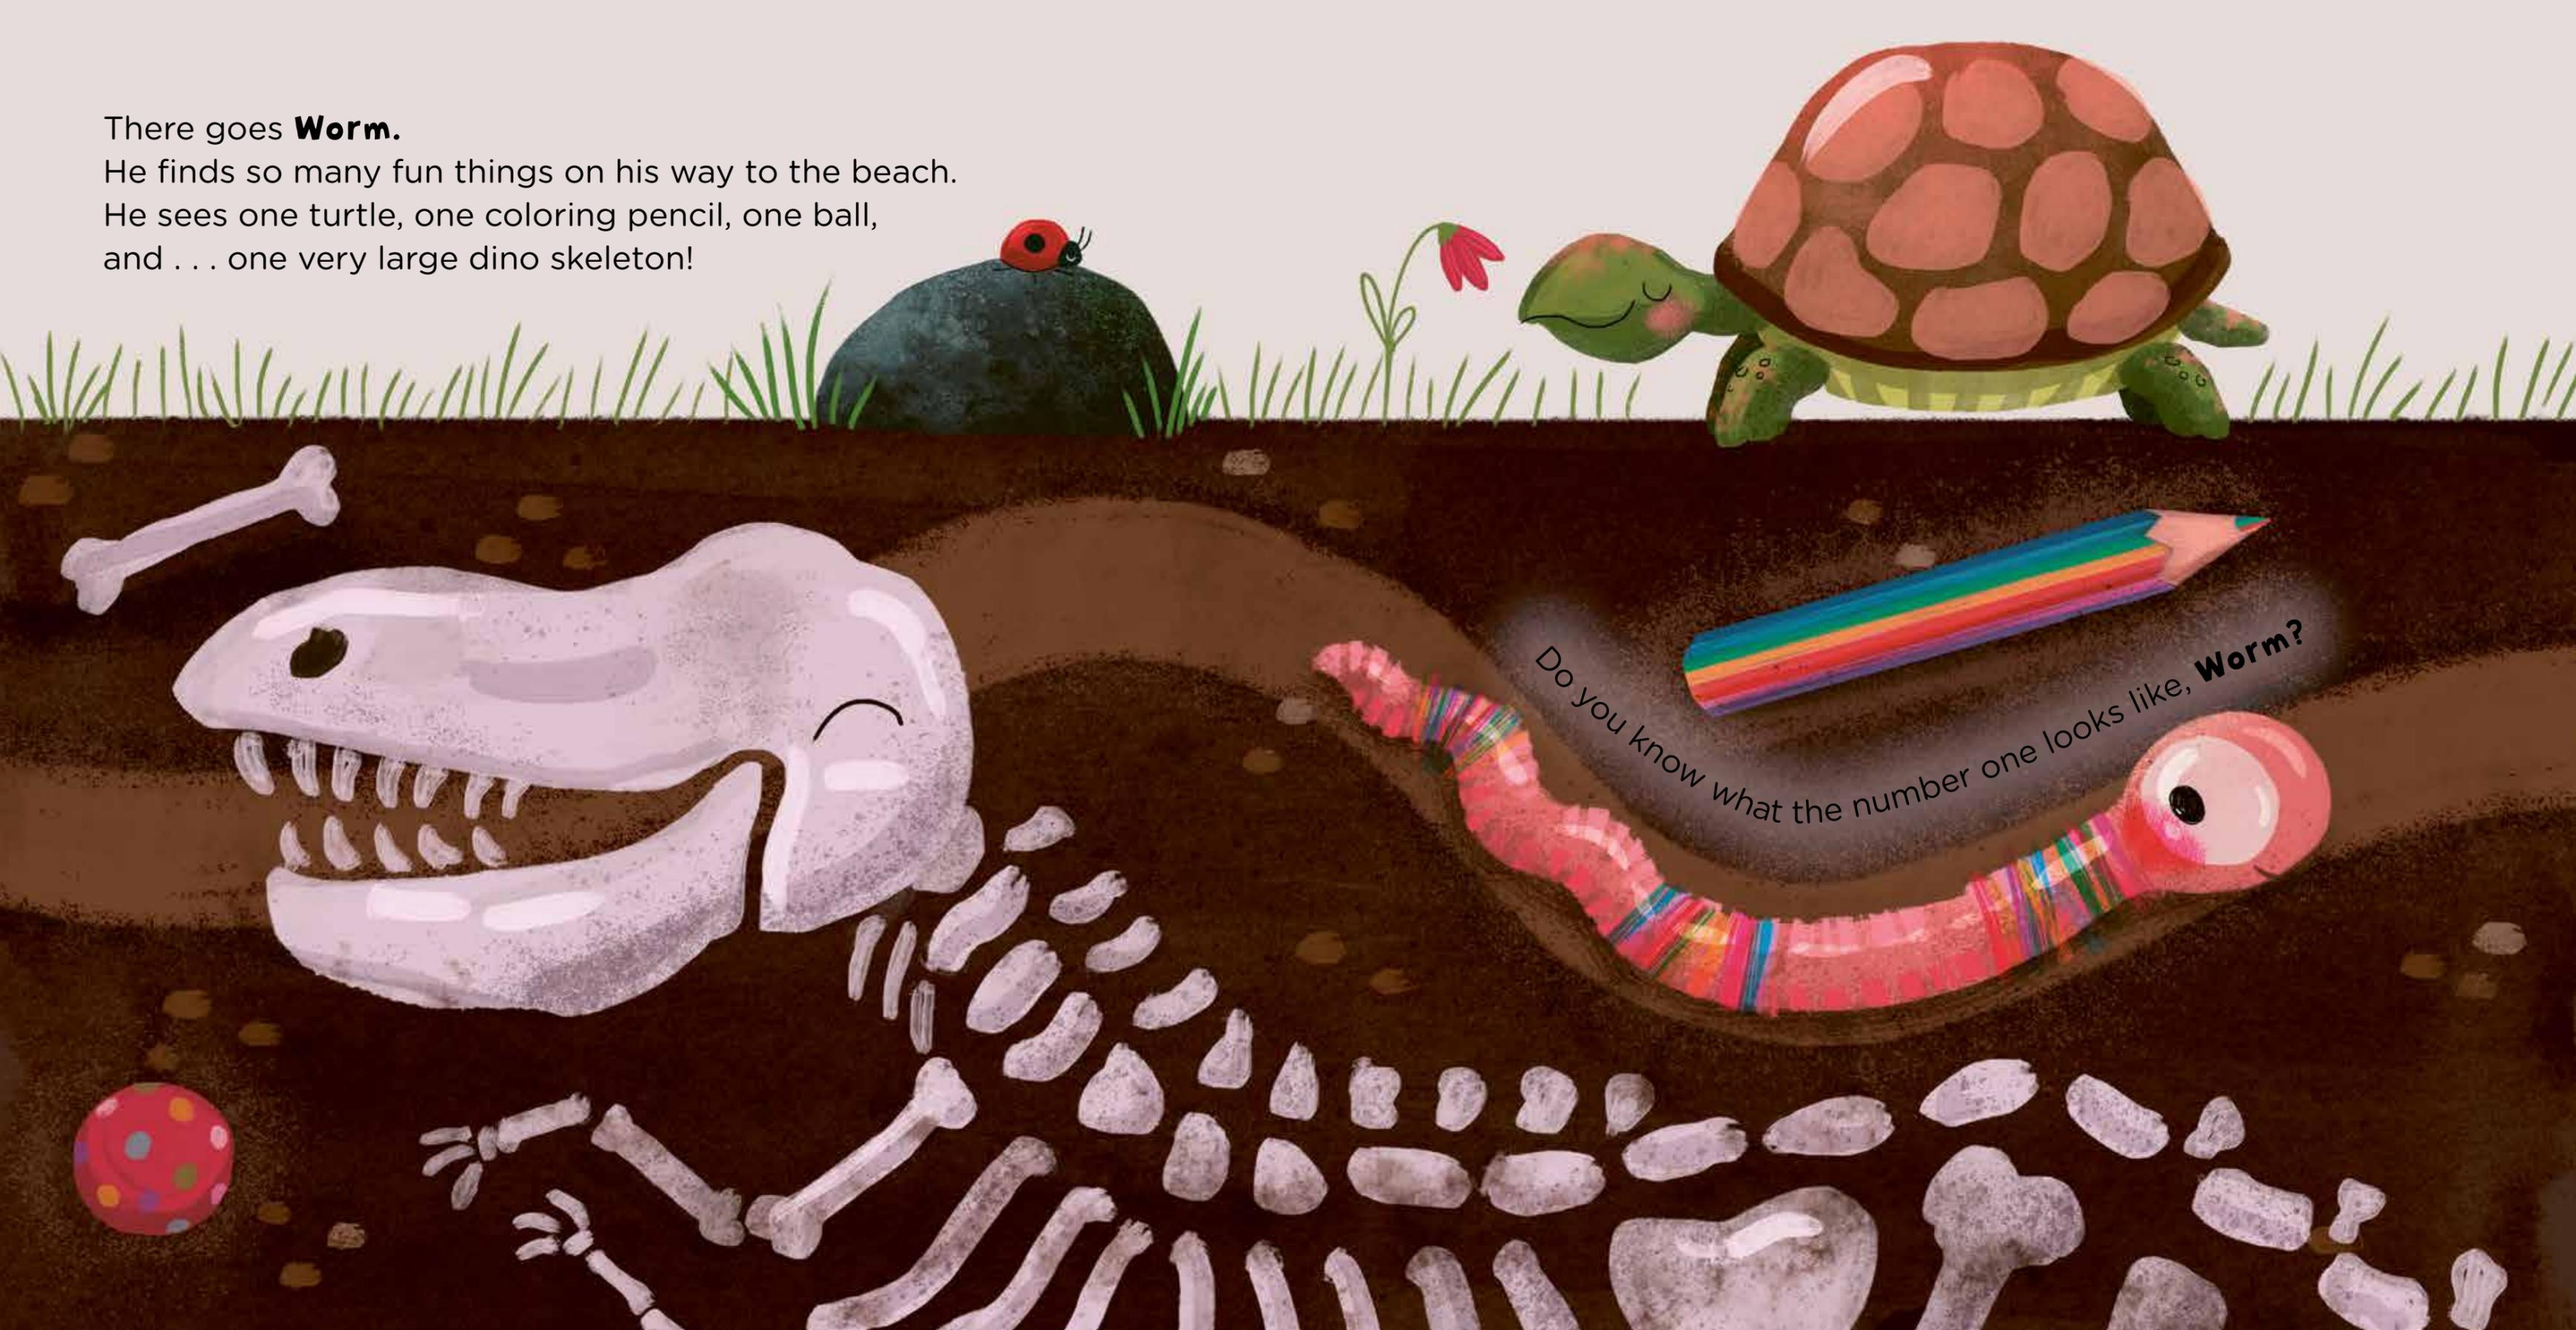

*What a great idea, **Worm** thinks. I'm going to the beach, too!*

There goes **Worm**.

He finds so many fun things on his way to the beach.

He sees one turtle, one coloring pencil, one ball,

and . . . one very large dino skeleton!

Do you know what the number one looks like, **Worm**?
